

2013 Town Report

ADDENDUM

In Memory

Alan R. Baccei passed on August 4, 2013 after a long illness. He served his community as a Manchester Village police officer and the Town as Superintendent of the Manchester Water and Sewer Departments from 1973 until his retirement in 2004 when he was lauded by Water Commissioners Beattie, Zoller and Kilburn for his steady hand and quiet and wise counsel in guiding the growth of those departments during his tenure.

Betty A. Tobin passed on May 16, 2013. She served Manchester as the Executive Secretary for the Town Manager, interim Town Manager, and always stepped up to serve wherever she was needed. The Selectboard dedicated the Betty Tobin Town Hall Conference Room in her honor this year.

Katherine L. "Kathy" Sessions passed on September 16, 2013. She served as an administrative assistant to the Manchester Elementary Middle School principal and touched the lives of many families during her tenure. She served the Town as a volunteer election worker for twenty-six years and was the smiling face that checked in voters and verified voter attendance every year.
