### How Often Should I Request?

Once a year, and request at that time for all elections occurring that year.

Vermont only mails absentee ballots automatically for General Elections (every two years).

Absentee ballots are provided by **request only for all other elections.**

### Out of Town?

Ballots will not be forwarded unless you have a premium service!

You may request your ballot be sent to a specific address, **without changing your current mailing address.**

This ensures that the rest of your state mail is sent to your usual mailing address.

## Remember!

# Ballots will NOT be mailed out automatically for local elections!
